How to Earn Money Online as a Student

01

Idea Description

Enable students (ages 15+) to curate educational content at home

using innovative user interfaces and user experiences (UI/UX)

on Thimble's E-Learning Portal.

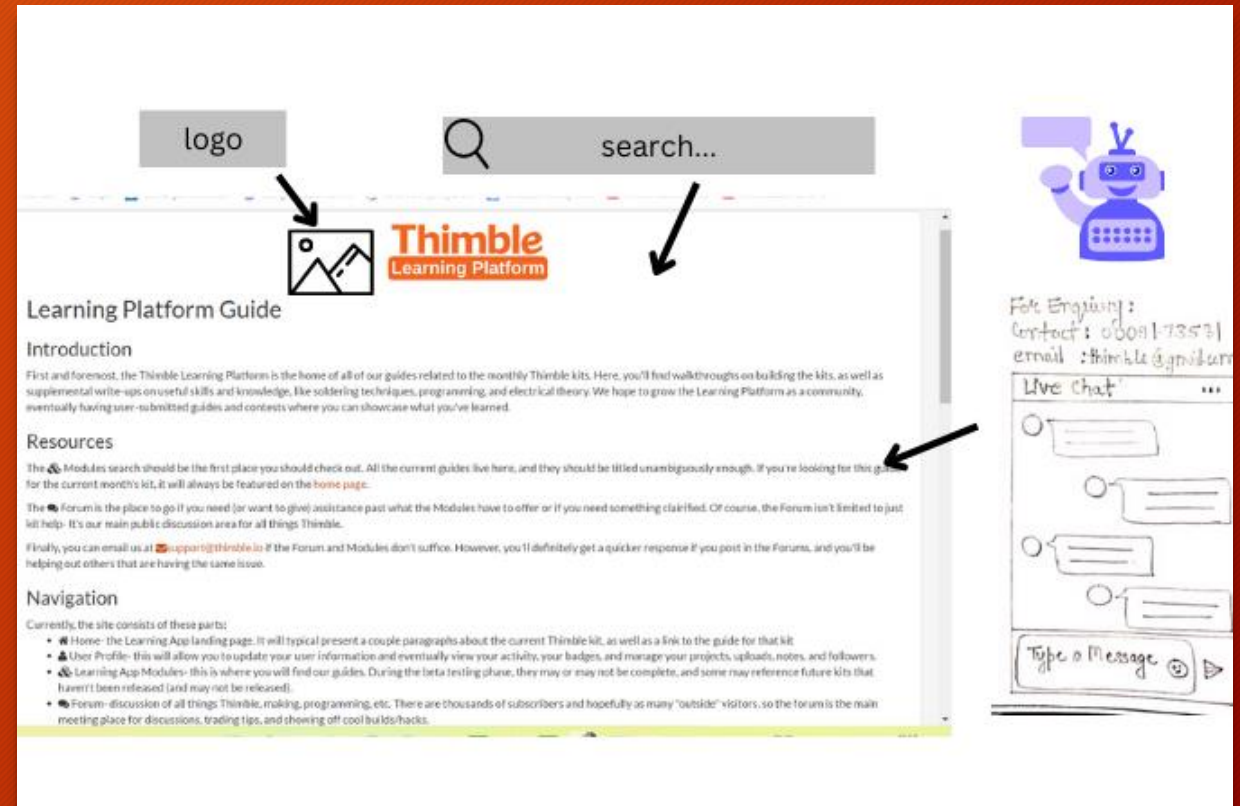

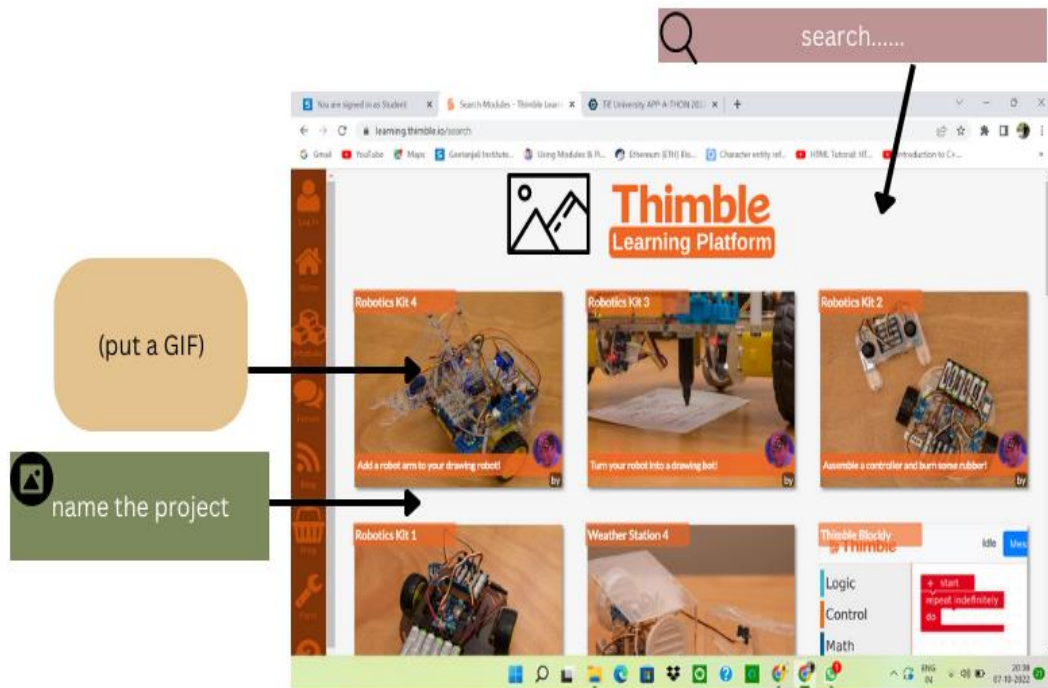

Survey

- By doing the survey of various e-learning platforms like edx ,coursera ,udemy. We identified some drawbacks like in home page there was improper alignments of icons ,help page is without chatbot and there is incomplete information feded in modules .
